*No Belles* is a performance of the stories of women scientists who have and have not received the Nobel Prize. It makes visible the significant contributions of women in science and serves as a powerful catalyst for increased interactions between the sciences and the community. Created and performed by the Portal Theatre Group of Portland, Oregon.

Presented by the *Women in Science* and the *Science, the Arts, and the Humanities* programs of the Wisconsin Initiative for Science Literacy.

**SCIENCE IS FUN**
