

Albert says ...

“Let’s  
talk  
about  
love”

Wisconsin Initiative for Science Literacy (WISL)  
& University Residence Halls  
presents

# The Science Of Love

**Monday, Feb. 9, 7 pm,  
Elizabeth Waters Hall Cedar Room**

**Tuesday, Feb. 10, 7 pm,  
Ogg Hall Main Fireside Lounge**

**Conversation leader: John DeLamater,  
Professor of Sociology**

Just in time for Valentines Day weekend,  
join this conversation about social and  
psychological aspects of love. Professor  
Delamater is the editor of *The Journal  
of Sex Research* and teaches Human  
Sexuality: Social and Psychological Issues.

## Conversations in Science

You don't have to be Einstein to enjoy  
discussing how science affects your daily life.
